Foreword

Proverbs are the essence of history. In them are preserved for future generations, the ideals, the hopes, and the fears of mankind. Similarly, LA REATA of 1962 seeks to capture our years at Saint Mary's Hall and record on the "table of our memories" all successes, "all saws of books, all forms, all pressures past that [our] youth and observation copied there."

Farewell to the Seniors

The end of the school year is always a time of joy, for it marks the achievement of one of life's goals. This is particularly true for seniors who are graduating and going forward to new freedom and to new responsibility. It is also a time of sadness for us here at Saint Mary's Hall, for we know that it is unlikely that the girls who leave us will ever be with us again as a group. We all wish you every success and happiness. We hope that you will return to Saint Mary's Hall often and that your love of the school and your interest in her affairs will increase over the years, for the devotion of her graduates is the final source of strength of any school.

In particular we hope that you will never feel your education is simply an accumulation of credits, a mastery of certain skills or information. We feel with Will Durand that education does not mean that we have become certified experts in business, or in mining, or botany, or journalism. It means that through the absorption of the moral, intellectual, and aesthetic inheritance of the race we have come to understand and control ourselves as well as the external world; that we have chosen the best as our associates both in spirit and the flesh; that we have learned to add courtesy to culture, wisdom to knowledge, and forgiveness to understanding.

Our best wishes go with each of you.

Henry B. Pennell

"Words are but meager thanks..."

More than anyone in our lives our parents have instilled in us the ideals which we have followed at Saint Mary's Hall, and which we will take with us into the world. Their love, patience, and interest have made our school years warm and memorable. As we prepare to leave the security of our homes, we wish to dedicate LA REATA, 1962 to our parents as a token of our love and thanks.

Welcome

Although we have known Mr. and Mrs. Pennell for only a year, we have come to respect them through our close daily association. All the students deeply appreciate the thought and effort which they have devoted to us this year. Mr. and Mrs. Pennell have become real members of the boarding department through their active participation in resident life. On behalf of the entire school, we, the Graduates, extend to the Pennell family our sincere best wishes for the future and our thanks for the past year.

Last Will and Testament of the Class of 1962

STATE OF TEXAS
COUNTY OF BEXAR } KNOW ALL MEN BY THESE PRESENTS:

That we, the Class of 1962, and its individual members, herein acting in our official capacities, being of sound mind and disposing memory, realizing the uncertainties of our bequests, do hereby make, publish, and declare this to be our last Will and Testament, revoking all other wills and testamentary dispositions heretofore made by us, and direct that:

1. SANDRA BALCOM leave the Junior Boarders permission to smoke legally next year.
2. ANDRE BONNET leave one dog-eared, ink-smeared list of suitable chapel hymns to the next Chapel Committee president.
3. SUSAN COMBS leave her well-used car insurance policy to Eleanor Matthews who needs it.
4. EMILY DENMAN leave a set of keys that don't work, thirteen layout sheets, two contracts, and a lovingly edited LA REATA1962 to some lucky Junior.
5. LINDSAY DINKINS leave Mary Perry a three year supply of Aqua Velva so that she can continue to help Mr. Pennell fill the corridors of Saint Mary's Hall with "that masculine aroma."
6. JANE DUNBAR leave her seat at the Alamo Heights football games to Sue and Susan Steen in hopes that it will do them more good than it did her.
7. JASPER leave the Marines to anyone who is fool enough to go with one and who cares to discuss them with Miss Rasor.
8. ANNE FLATO leave her desk in Study Hall to any starving Junior who finds it necessary to be first in the lunch line next year.
9. ELAINE FORSTER leave her ability to get into trouble to anyone who wants to lead an exciting life in the Boarding Department.
10. SUSAN JONES leave her commendable ability to study and to get things done on time to her sisters, Lorine and Kathleen.
11. SALLY KLEBERG leave that tiny desk in Study Hall to Wanda Ford in hopes that she is wise enough not to take five subjects or she will end up with books all over the place too.
12. KAREN KNORPP leave her Senior English notebook to any Junior who wants to make A's under Mrs. Dobbins.
13. MISSY LEE leave to Carole Cotterel and Sarah Judd her roadmap of San Antonio. She predicts, as a fellow Houstonian with three years' experience, that they will never be able to follow it either.
14. TOBY McCLELLAND leave her Daddy to anyone who wants to work Math the hard way.
15. JESSIE LEE MANDEL leave her place as a Saint Mary's Hall Senior to a fellow Laredoan, Jane Urban.
16. MADELEINE MOREAU leave forty-four tubes of water-proof mascara to the Junior Class in hopes that someone will cry when she graduates.
17. JUDY MUELLER leave to anyone who takes Chemistry, her sticky gas valves and uncoordinated bunsen burner in hopes that they will be able to use them to better advantage than she.
18. SABIN MUIR leave her half of the nervous cycle to Janice Schilo in hopes that she can find another suitable partner.

19. OLIVE ANNE MUSGRAVE leave her bookshelf of King Ranch books and timetables of flights to Kingsville to Diana Townsend in hopes that she will get as much use from them as she did.
20. ANNE NEWTON leave the Study Hall microphone to Mr. Pennell with the hope that he can make himself heard next year.
21. KATHY OLD leave her boxes of unused pictures to future snapshot editors in hopes that they will have fun burning them.
22. KATHY OLSEN leave her mathematical brain to Kim Kypke in hopes that she can do more with it than Kathy did.
23. RENA JO PATTERSON leave her Spanish accent to Sandra Longoria whom we know will benefit by it.
24. DEE DEE PEET leave her famous philosophy, "variety is the spice of life," to Linda Pace who has been stuck with one boy for so long.
25. LINDA PEREZ not leave because of her lovely History grades— no, that she leave all her nifty-neato qualities to the geese that remain at Saint Mary's Hall after she is gone.
26. SUSAN SAUNDERS leave to the Junior Boarders her renowned ability to appreciate the simple things in life.
27. SUZI SMITH leave her Rockin' Morris Minor to Wanda Ford in hopes that she will not wreck it as she did her Volkswagen.
28. BEATRICE SNYDELAAR leave Jeanne her six years of experience at Saint Mary's Hall although she does not need them.
29. CYNTHIA STRINGER leave her heater to any person who may live in Room 10 of the New Dorm during the winter.
30. ANNE SYKES leave one copy of "Runaround Sue" to Mrs. Flake and future gym classes in hopes that the twist will soon replace daily exercises.
31. DODIE TATE leave her avid interest in the Nu-Nus to whoever feels that they can put up with it.
32. RHODA THOMPSON leave the Boarder's Riding Department to whoever is brave enough and has a voice loud enough to carry across Study Hall.
33. SUSIE WILKINSON leave her uniforms to Ethel Affleck in hopes that she will soon grow into them.

Student Council

Each spring every class in the Upper School elects three of its members as representatives to the Student Council. The President and Vice-president are elected from the senior class by the Upper School student body. The council works as a unit to collect for charity drives, to maintain order outside of classes and to uphold the standards of the school.

Junior Council

The purpose of the Junior Council is to give the girls in the Lower School practice in self-government and to aid the Lower School faculty with the organization of projects and activities. The council is sponsored by Mrs. Sarratt, and is composed of twelve members, four from the Seven Form, four from the Sixth Form, two from the Fifth Form, and one each from the Third Forms. Four elections are held each year.

El Club Margil

El Club Margil, sponsored by Senora Nanez and Mrs. Ames, is composed of the girls in Spanish three and four. El Club Margil holds a meeting once a month and in addition holds the annual banquet. This was the second year that the Spanish Club has taken a day's trip to Laredo.

This year, the Spanish Club has a particulary sad duty. El Club Margil, on behalf of the whole school, must bid Senora Nanez good-bye after fourteen years of teaching Spanish at Saint Mary's Hall. Senora has been the guiding spirit of El Club Margil as well as the beloved teacher and friend of many girls. It is hard to think of the Saint Mary's Hall Staff without Senora but knowing that she will have more time for her beloved social work will compensate us for our loss.

Le Cercle Francais

Le Cercle Francais, under the sponsorship of Mrs. Redfield, holds monthly meetings which are conducted completely in French. The club endeavors to learn more about France, her history and her people. The club tries to attend lectures, movies, plays, and programs presented by community organizations. At mid-term those students in French Two who are qualified are admitted into the club after strenuous initiation.

Mrs. Pratt, our librarian, joined the staff at Saint Mary's Hall in September. She worked eagerly to make our Book Fair a success and was delighted when the library acquired a number of new and interesting volumes. Mrs. Pratt makes the daily research work of the students easier and more rewarding by locating helpful and informative books for them. Their visits are made enjoyable by her friendly cooperation as well as by the large selection of current reading matter, both fiction and non-fiction. Many thanks are due to Mrs. Pratt for her fine work.

MISS INEZ SAWYERS
Arts and Crafts

Miss Sawyers, in addition to sponsoring the Art Club, also teaches arts and crafts to both the Upper and the Lower School. The annual Art Exhibition is the culmination of Miss Sawyers' efforts. In the Exhibition the progress of old students and the discovery of new talent are noted.

Left to right: Lyn Wilkinson, Karen Knorpp, Missy Lee, Sally Blanton, Tisha Edwards.

Left to right: Trisha Thomson, Linda Pace, Vice-president, Susan Pinson.

Left to right: Judy Yelvington, Virginia Koch, Susan Jones, Bonnie Bowman, Pat Howell, Zelime Gillespie, Secretary-Treasurer.

The Art Club was organized to give the students an opportunity to increase their appreciation and skill in art. Miss Sawyers, the club sponsor, spends a great deal of time with each individual girl. The frequent painting exhibitions and trips which the members attend give the girls new and varied subjects from which to work. The Art Club also sponsors the annual Saint Marv's Hall Art Exhibition.

The Riding

The Riding Club and its purpose have been completely changed this year. The new constitution states this as the aim of the Club: "The purpose of the Riding Club shall be to encourage knowledge and proficiency in all forms of riding and horsemanship. The purpose of the Club shall be advanced by the interests, cooperation, participation, and concern of its members."

Bi Phy

The large and enthusiastic group of members in the Bi Phy Chem testifies as to its instantaneous success despite its newness. The various facts of science, while always of interest to students, have taken on a new importance in this modern age. By joining this club, the girls expressed their awareness of this added importance.

The official aims of the club, as stated in the Consti-

tution, are as follows: "to increase our knowledge of science; to learn to perfect our skills in science; to understand the importance of science in our lives; to help carry out the program of the Science Clubs of America." In a larger sense the aim is to awaken in the members a lasting interest and respect for science and its increasing influence. An understanding of science is a key to the future.

The Drama Club obtains tickets to various productions in San Antonio and encourages the attendance of all the girls. In addition to sponsoring the Friday workshop, the school play, and the play-writing contest, the Drama Club also gave a Hallowe'en Party this year.

The Elliott Team

The Capers Team

Softball All-Star

The Softball All-Star once more began the chain of All-Stars for the year. Enthusiasm, spirit, and sportsmanship were at their height. For over thirty tense minutes the two teams battled; the Elliotts attempting to "Spook the Capers" and the Capers trying to "Trick the Elliotts." The score, tied almost to the very end, was broken by an Elliott in the last few remaining seconds, thus winning the game for the Elliotts.

SCORE: 4-3

ELLIOTTS: Anne Fisher, Deedee Peet, Linda Perez, Dodie Tate, Christina Perez, Louise Oppenheimer, Toby McClelland, Bettie Willerson, Peggy Drake, Anne Newton, Wanda Ford, Anne Flato, Emily Denman, Susan Pinson, Lucy Dittmar.

Hockey All-Star

The Hockey All-Star took place on one of the coldest Wednesday afternoons of this past winter. The Capers and Elliott All-Star members got out on the cold, barren field and played an exciting, rugged game of hockey. The cold did not stop the two teams from cheering. It was one of the best displays of spirit an All-Star has ever had. Both teams played superbly, because by the beginning of the fourth quarter neither team had been able to score. Near the end of the fourth quarter, however, the Elliotts made a goal, thus securing the game for them. The Elliotts "Snowballed the Capers;" the Capers "Jingled the Elliotts."

SCORE: 1-0

ELLIOTTS: Deedee Peet, Linda Perez, Dodie Tate, Wanda Ford, Anne Sykes, Christina Perez, Linda Pace, Sabin Muir, Betty Willerson, Nancy Harris, Lóuise Oppenheimer, Anne Flato, Emily Denman, Suzy Smith, Anne Newton, Peggy Drake.

Basketball All-Star

The atmosphere was one of tenseness and anxiety as the second to last All-Star of the year was about to begin. On one side of the gym were the Elliotts, and above them the sign "Twist around the Capers"; on the other side were the Capers and the sign "Shoot the Elliotts." Both teams played hard and skillfully. Never was the score more than one or two points in favor of either team. It was very close but in the end the Capers won out with a well made freeshot.

SCORE: 8-7

ELLIOTTS: Linda Perez, Dodie Tate, Deedee Peet, Anne Newton, Christina Perez, Wanda Ford, Emily Denman, Anne Sykes, Bettie Willerson, Linda Pace.

CAPERS: Susan Steen, Rena Joe Patterson, Zelime Gillespie, Lindsay Dinkins, Susan Combs, Cynthia Stringer, Sue Dunbar, Jane Dunbar, Suzie Wilkinson, Mary Perry Rabon, Sally Kleberg.

Bishops' Day

Water Ballet

The sports year at Saint Mary's Hall is climaxed by Bishops' Day. On this day the Volleyball All-star, the Pledges' Volleyball game, and the Tennis Singles tournament are played. . .There is also Water Ballet, Drill Team, and Tumbling Exhibition. At the end of this tense, fun-filled day, the Elliott and Capers teams line up and all the awards for the past year are given out. Then the Seniors serenade the school with their farewell song.

Bishops' Day is a day which will long be remembered. The spirit, sportsmanship, and enthusiasm make a nice ending to the past year.
